### Subpart A [Reserved]

### Subpart B—Inmate Personal Property

#### § 553.10 Purpose and scope.

It is the policy of the Bureau of Prisons that an inmate may possess ordinarily only that property which the inmate is authorized to retain upon admission to the institution, which is issued while the inmate is in custody, which the inmate purchases in the institution commissary, or which is approved by staff to be mailed to, or otherwise received by an inmate. These rules contribute to the management of inmate personal property in the institution, and contribute to a safe environment for staff and inmates by reducing fire hazards, security risks, and sanitation problems which relate to inmate personal property. Consistent with the mission of the institution, each Warden shall identify in writing that personal property which may be retained by an inmate in addition to that personal property which has been approved by the Director for retention at all institutions.

[48 FR 19573, Apr. 29, 1983, as amended by 64 FR 36753, July 7, 1999]

#### § 553.11 Limitations on inmate personal property.

(a) *Numerical limitations*. Authorized personal property may be subject to numerical limitations. The institution's Admission and Orientation program shall include notification to the inmate of any numerical limitations in effect at the institution and a current list of any numerical limitations shall be posted on inmate unit bulletin boards.
